## Venue synopsis

One of the newest developments and most exciting retail centers in the South Bay, the San Pedro Square Market is a public market surrounding the historic Peralta Adobe, San Jose's oldest building. At the center of the Market you'll find plentiful outdoor seating for enjoying San Jose's 300 days of sunshine and your purchases from the dozens of local, small business owned shops and dining options.

Find all the event catering choices imaginable onsite, including sushi prepared by Blush Raw Bar and Lounge, sweet and savory gourmet crepes from Cre-Paris, Neapolitan style pizza from Pizza Bocca Lupo, craft brews on tap at the San Pedro Square Market Bar and more.

The Farmer's Market held ever Saturday, 10am-2pm, is always packed with a wonderful assortment of vendors selling organic produce, artisan cheese, locally cultivated honey and handmade chocolates. The Market produces weekly entertainment, is dog friendly and is a beautiful, relaxing setting for morning coffee, a fabulous lunch or an evening concert with dinner and cocktails.
