Independent Auditor's Report

To the Board of Directors of Team San Jose City of San José, California

Opinion

We have audited the financial statements of Team San Jose, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Team San Jose as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Team San Jose and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The financial statements of Team San Jose for the year ended June 30, 2021, were audited by another auditor, who expressed an unmodified opinion on those statements on January 14, 2022.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Team San Jose's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Macias Gini É O'Connell LAP

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Team San Jose's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Team San Jose's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Walnut Creek, California

Notes to the Financial Statements For the Years Ended June 30, 2022 and 2021

NOTE 1 – NATURE OF ACTIVITIES

Team San Jose (the Organization) was formed in December 2003 in response to a request for proposal by the City of San José (the City) for the management and operations of the convention center. The Organization is incorporated as a nonprofit corporation in the state of California to advertise, promote, and publicize San José, California as a site for meetings, conventions, conferences, trade shows, and other events at the City's facilities and area hotels in a manner that results in a positive economic impact for the City. The Organization promotes the City as a destination for business and leisure travel.

The Organization participates in and coordinates activities with the City's Office of Economic Development and other City agencies related to the branding of the City for the purpose of local, national, and international identity. The Organization also manages a Convention and Visitor Bureau (CVB) Advisory Group with other organizations that support economic development, communications, and marketing in the City in order to develop and provide input and suggestions that support and cross-promote San José as a destination. Under an agreement with the City, certain expenditures made by the Organization in connection with its activities are reimbursed by the City.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization segregates its assets, liabilities and operations into two categories: without donor restrictions and with donor restrictions. The Organization's net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions consist of net assets for which there are no donor-imposed restrictions, or such donor-imposed restrictions were temporary and expired during the current or previous periods.

Net assets with donor restriction consist of amounts receivable or received that are restricted for specific purposes or for subsequent periods. Some contributions received from donors are required to be maintained in perpetuity, while others expire over time or when the donor-imposed restrictions are satisfied. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restriction.

Reclassifications of a General nature

Certain prior year amounts have been reclassified to conform to the current year financial statement presentation. These reclassifications have no effect on previously reported change in net assets.

Undesignated Net Assets

Undesignated net assets are the cumulative excess of revenues and support over expenditures since the inception of the Organization, unless designated by the Board of Directors (the Board).

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Board Designated Net Assets

Board designated net assets are net assets without donor restrictions and designated by the Board as a reserve for unexpected changes in the economy, contracts, or specific projects. The reserve is the minimum of one month's operating expenses based on next year's budgeted operating expenses. The Board designated net assets at June 30, 2022 and 2021, were \$535,895 and \$641,047, respectively.

Revenue Recognition

The Organization determines revenue recognition for its revenue-generating activities in accordance with accounting principles generally accepted in the United States of America. Those standards require the Organization apply the following steps:

- Identification of the contract or agreement with a grantor or customer
- Identification of the performance obligations in the contract or agreement
- Determination of the transaction price
- Allocation of the transaction price to the performance obligations in the contract or agreement
- Recognition of revenues when, or as, the Organization satisfies a performance obligation

The Organization receives a majority of its revenues and support from the City. The Organization has a convention and visitors services bureau agreement (the Agreement) with the City, effective through June 30, 2024. Under the Agreement, payments are made to the Organization based upon its annual operating budget approved by the City. Revenues were recognized based upon the approved budget over the contract years presented. The Agreement automatically renews for an additional five-year term through June 30, 2029, subject to the Organization meeting stated performance obligations.

Under a separate management agreement with the City, the Organization receives incentive fees from the City to operate the San José McEnery Convention Center, the City's cultural facilities and the San José Visitors Bureau. Under the Organization's agreement, incentive fees paid are based on the Organization's performance in the prior year. There were no incentive fees for the years ending June 30, 2022 and 2021.

Convention and visitor services revenues include housing and registration services. The revenues are recognized when the services are provided.

Membership fees, which are included in visitor services revenue, are recognized as revenue ratably over the period of the membership. Deferred revenue is a contract liability consisting of membership dues billed or paid but not recognized as revenues.

Contributed Nonfinancial Assets

The Organization may receive various donated products and services in connection with providing services to its members. Donated products and services are recorded at their estimated fair value. During the year ended June 30, 2022 and 2021, there were no donated products and services provided to the Organization.

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Organization receives free use of its facilities from the City, which is recorded as donated use of facilities and in-kind rent. The Agreement with the City provides the Organization with office space and equipment to enable it to perform its obligations. The Organization occupied a building owned by the City, for which it had not been charged rent. The terms for the office space used may be revised or canceled by the City during the term of the Agreement. Therefore, the Organization recorded the fair value of the free rent received. For the year ended June 30, 2022 and 2021, the Organization recognized the fair value of contributed use of the City's facilities in the amount of \$160,868 and \$0. Fair value is based on the fair market price of a similar office space owned and leased out by the City.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues, support and expenses in the financial statements and related notes. Actual results could differ from those estimates.

Cash Equivalents

The Organization considers all short-term, highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Restricted Cash

Restricted cash consists of prepaid ticket sales collected on behalf of other organizations for which there is an offsetting liability on the statement of financial position. Restricted cash at June 30, 2022 and 2021 were \$1,120,345 and \$48,226, respectively.

Investments and Investment Income

Investments in negotiable certificates of deposits and money market funds are reported at fair value based on quoted market prices. Negotiable certificates of deposit with remaining maturities of greater than three months are included in investments and are reported at fair value and accumulated interest. Investment income is recorded on the accrual method of accounting and dividends are recorded at the ex-dividend date. Unrealized gains and losses are included in investment income.

Concentrations of Credit Risk

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist primarily of cash and cash equivalents, restricted cash, investments and accounts receivable. The Organization maintains its cash and cash equivalent deposits with three major financial institutions. The Federal Deposit Insurance Corporation insures these deposits up to \$250,000 at each institution. The Organization is exposed to credit risk in the event of default by the domestic financial institution to the extent cash and cash equivalent deposits are in excess of the amount insured. Cash and cash equivalents and investments totaling \$2,601,462 and \$6,047,232 are uninsured at June 30, 2022 and 2021, respectively. The Organization's investments and cash and cash equivalents are managed by the Organization's Board of Directors and Finance Committee.

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Organization estimates the collectability of its accounts receivable based on payment due dates and provides an allowance for potential credit losses as necessary. Historically, such losses have been within management's expectations.

Property and Equipment

The Organization capitalizes property and equipment acquisitions over \$5,000. Property and equipment are stated at cost and depreciated over the estimated useful life between three and five years using the straight-line method. Leasehold improvements are amortized over their estimated useful life of 15 years using the straight-line method.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and state franchise taxes under Section 23701d of the California Revenue and Taxation Code.

The Organization uses the "more likely than not" criterion for recognizing the income tax benefit of its income tax exempt status and establishing measurement criteria for liabilities resulting from the loss of that status. The Organization believes its income tax filing positions will be sustained upon examination and, accordingly, has not recorded any accruals for interest and penalties at June 30, 2022 for uncertain income tax positions. In the event the Organization should need to recognize interest and penalties related to unrecognized tax liabilities, this amount will be recorded as an accrued liability and an increase to income tax expense.

Although the Organization is recognized as tax exempt, it is still liable for income tax on its unrelated business taxable income (UBTI). The Organization does not believe it has UBTI that would have resulted in an income tax liability at June 31, 2022 or 2021.

The Organization's federal exempt organization business income tax return (Form 990) is subject to examination, generally for three years after it is filed with the Internal Revenue Service. The Organization's California exempt organization business income tax return is subject to examination, generally for four years after it is filed with the Franchise Tax Board.

Advertising, Marketing and Promotions

Advertising and marketing expenses consist of collateral, brochures, promotional materials and special promotions. The Organization expenses advertising and marketing costs as incurred. Advertising and marketing expenses were \$1,823,763 and \$724,327 for the years ended June 30, 2022 and 2021, respectively.

Statements of Functional Expenses

The costs of providing the Organization's various programs and services have been summarized on a functional basis in the statements of functional expenses. Direct expenses are allocated to the related program or service benefited. Indirect expenses are allocated to programs and services based on operating expenses incurred and management's estimates of time and effort. The expenses allocated include personnel, dues and subscriptions, and marketing costs.

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement

The Organization uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing assets or liabilities are not necessarily an indication of the risk associated with those assets or liabilities.

The three-level hierarchy for fair value measurement is defined as follows:

- **Level I:** Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- **Level II:** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly.
- **Level III:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset or liability's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The Organization did not have investments as June 30, 2022. At June 30, 2021, all of the Organization's investments are certificates of deposits and are classified as Level I investments under the fair value hierarchy.

Risks and Uncertainties

The global outbreak of the novel coronavirus continues to be an evolving situation. The virus has disrupted much of society, impacted global travel and supply chains, and adversely impacted global commercial activity in most industries. The rapid development and fluidity of this situation precludes any prediction as to its ultimate impact, which may have a continued adverse effect on economic and market conditions and further extend a global economic slowdown. Such conditions, which may be across industries, sectors or geographies have impacted tourism in the City, and as a result, has impacted the Organization's revenues in 2022.

New Accounting Pronouncement

In September 2020, Financial Accounting Standards Board (FASB) issued Accounting Standards Updates (ASU) 2020-07, *Presentation and Disclosures by Not-For-Profit Entities for Contributed Nonfinancial Assets*. ASU No. 2020-07 was issued to increase the transparency for measuring contributed nonfinancial assets and disclosure. The Organization implemented this accounting standard update in the accompanying financial statements effective July 1, 2021. There was no effect on the Organization's beginning net assets in connection with the implementation of ASU No. 2020-07.

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 3 – LIQUIDITY AND AVAILABILITY OF RESOURCES

The table below represents assets available for general expenditures within twelve months at June 30:

	2022			2021
Cash and cash equivalents	\$	2,220,482	\$	6,848,932
Investments		-		4,958
Accounts receivable		38,800		-
Related party receivable		309,902		62,987
Total	\$	2,569,184	\$	6,916,877

The Organization monitors liquidity and the availability of its resources on an ongoing basis to ensure adherence to donor restrictions, contractual commitments and legal requirements for the use of funds.

NOTE 4 – PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30:

	 2022	2021	
Computers and equipment	\$ 203,151	\$ 203,151	
Furniture and fixtures	90,245	90,245	
Leasehold improvements	 24,509	24,509	
Total	317,905	317,905	
Accumulated depreciation and amortization	 (312,592)	(304,696)	
Property and equipment, net	\$ 5,313	\$ 13,209	

NOTE 5 – COMMITMENTS AND CONTINGENCIES

Subsidy Commitments

The Organization has committed subsidy funds of \$0 and \$160,000 as of June 30, 2022 and 2021, respectively, for certain events that will occur at a future date. Subsidies will be paid using future operating funds. These balances have not been accrued for as they are conditional upon the event taking place. Therefore, they will be expensed when the events occur. Effective with the year ended June 30, 2020, the Organization stopped making commitments to subsidize future events.

Indemnification Agreements

Pursuant to the Agreement with the City, the Organization defends, indemnifies, holds harmless, and agrees to reimburse the indemnified party for losses suffered or incurred by the indemnified party, generally the City, its officers, agents and employees, with respect to its services under the Agreement. The term of the indemnifications is generally perpetual any time after execution of the Agreement. The maximum potential amount of future payments the Organization could be required to make under the indemnifications is unlimited. The Organization has never incurred costs to defend lawsuits or settle claims related to the indemnification agreements. As a result, the Organization believes the estimated fair value of potential indemnification obligations is minimal at June 30, 2022 and 2021.

Notes to the Financial Statements (Continued) For the Years Ended June 30, 2022 and 2021

NOTE 5 – COMMITMENTS AND CONTINGENCIES (CONTINUED)

The Organization also indemnifies its officers, directors, employees and other agents for certain events or occurrences, subject to certain limits, while the individuals are or were serving at its request in such capacity. The term of the indemnification period is for the individual's lifetime. The maximum amount of potential future indemnification is unlimited; however, the Organization has a director and officer insurance policy that limits its exposure and enables it to recover a portion of any future amounts paid. As a result of its insurance policy coverage, the Organization believes the fair value of potential indemnification obligations is minimal.

Legal

In the normal course of business, the Organization may receive inquiries or become involved in legal disputes that are not covered by insurance. The Organization is not aware of any legal claims at June 30, 2022 and 2021, in the opinion of management, any liabilities resulting from potential future claims would not have a material adverse effect on the Organization's financial position or results of operations.

NOTE 6 - EMPLOYEE RETIREMENT PLAN

The Organization has a 401(k) plan (the Plan) to provide defined contribution retirement benefits for all employees meeting certain employment service requirements. Participants may contribute a portion of their compensation to the Plan, up to a prescribed maximum, subject to limitations under the Code. The Organization may make matching or discretionary contributions. The Organization's contributions were \$113,337 and \$103,000 for the years ended June 30, 2022 and 2021.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Organization provides accounting and other administrative services to San Jose Hotels, Inc. (SJHI), a related party. The Organization charged SJHI \$24,000 for the years ended June 30, 2022 and 2021, for the administrative services. The Organization is also reimbursed for certain direct costs incurred. The Organization has a receivable from SJHI of \$578 and \$3,269 as of June 30, 2022 and 2021, respectively.

The Organization provides accounting and other administrative services to the Convention and Cultural Facilities (CCF), a related party. In addition, the City has an agreed upon resource allocation between the Organization and CCF. Due to the pandemic's impact on the convention center, the City has approved a temporary reallocation of personnel cost between the Organization and CCF in order to provide additional financial support to the convention center. The Organization had a net allocation expense amounting to \$579,559 and \$523,972 for the years ended June 30, 2022 and 2021, respectively. The Organization is also reimbursed for certain direct costs incurred. The Organization has a net receivable from CCF of \$309,324 and \$59,718 as of June 30, 2022 and 2021, respectively.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 31, 2022, which is the date the financial statements were approved by the Organization and available to be issued.
